Missions: Becoming a “World Christian”
Week 6 – January 3, 2010

BECOMING A “WORLD CHRISTIAN”

Going and Sending – 3 John:

From a faithfully evangelistic perspective, there are two types of activities in light of the Christian world-view.

I. Those sent – the “go-ers”

A. The characteristics of a go-er.

They went out...

... for the sake of “the Name”

B. They took no help from the pagans (unbelievers)

What can we do personally... and as a church to think about going?

II. Those sending – support for the sake of “the Name”

A. The importance of those staying.

B. The responsibility for staying and sending.

C. The reward for those who send.

Philippians 4:14-18

* Our personal responsibility to send AND go as we can.

Application: how can we send and/or go well?

Personally:

Corporately:

III. Purpose of the Mission

A. That Christ would be glorified

B. In his church

Conclusion:

Consider regularly how God would have you support global evangelism.

Consider whether your lifestyle supports what you believe.

Work to delight in role God has given you today in his gospel plan.
