## **Biblical Communication**

### **Four Goals in Biblical Communication**

#1. Use your words to know your spouse and to become known by your spouse (Gen 2:25; Eph 5:8-14)

#2. Use your words to achieve a one-ness of understanding (1 Pet 3:7).

#3. Use your words to build trust (1 Cor 13:7).

Husbands take Initiative in Marital Communication (Romans 5:6-8;  
Ephesians 2:4-7)

Wives Lovingly Respond (Ephesians 5:22-24; 1 Peter 3:1-6)

#4. Use your words to build one another up spiritually (Eph 4:29).
