AGE CODE:

- 1 Ages 0-2 (Baby/Toddler/Young Preschooler)
- 2 Ages 3-5 (Older Preschooler)
- 3 Kindergarten – 2nd Grade (Early Elementary)
- 4 3rd Grade – 7th (Older Elementary/Preteen/Middle School)
- 5 Grades 8th – 12th (Teens/High School)

NOTES: We have spent many hours going through these books. HOWEVER... that doesn't mean that we didn't miss something. Also, it takes your knowledge of your own children to discern the best, most appropriate books for them. Hope you enjoy these books!

A FEW, OTHER SPECIAL CODES:

NC: Non-Christian Book

PC/AG: Presumes Conversion/Add the Gospel

Always be on the watch out for needing to add the gospel. We mainly chose Christian books that do NOT presume conversion, but that include the gospel. However, there were a few good books that we included, that were not Christian books, but had really great resources. Or, were Christian books, but did presume conversion and did NOT include the gospel.

Thoughts on Choosing and Using Books with Your Children

When Should I Start Reading to My Child?

Short Answer: As soon as you want!

Reading is simply another form of language, so why not? Most parents begin talking to their children from birth, and children begin absorbing understanding through voice tone even before the words make sense.

But, if you begin reading to your young infant, don't do it with the agenda of getting them to polish off the Bible by the time they are one! (This sounds ridiculous, but it's amazing what ideas we eager parents get into our heads!)

Do it to begin the pattern of enjoying time together, cuddled on your lap, listening to your voice and with an open heart.

Gradually, as your child develops, watch for cues that they are ready for more. You will see them begin to point to pictures or bring you particular books to read (usually over and over again!). Then you know they are engaging with not just the feel of reading, but the content of what you are reading. That's when you can begin to really think about using books to fill their hearts and minds with truth.

Bible Storybooks FAQs

#1: What's the difference between a Bible storybook and a full Bible? Which would you recommend to using?

A Bible storybook is a collection of Bible stories, written by an author, while the Bible is...well....the Bible--a translation of the entire Old Testament and New Testament into a particular language by a group of Bible scholars.

#2: What are some things to consider in using a Bible storybook?

The Advantages: A Bible storybook--like a good sermon-- can add descriptions about people and places that were known and assumed by the original writers and readers of the Bible, but that aren't obvious to us. They can use language that may be much more suitable for younger children to understand. They can give spiritual insights that help both child and parent learn important truths about God and how He wants us to live. These are all wonderful things.

The Tricky Parts: But, Bible storybooks have their down sides, too. In an attempt to bring the story to life and "up-to-date", authors may take quite a bit of creative license with language and emotion--adding things which may or may not be true. People who write Bible stories for children have to walk a very thin tightrope between bringing a story to life and not adding to it what isn't there. Authors also may choose to shift the true main point of the story to something more to their liking--often a more simple, moralistic application. You must be on your guard to edit on the spot.

Tips for Choosing a Bible Storybook *(as well as other Bible-based books)*

#1 Theology: Check for sound theology! The story of Noah is often a good story to look at for this. Is it a story of the animals in the ark, or of the mercy and holiness of God towards sinful people? Praise God there are more and more good Bible storybooks with great theology available! But sometimes these books are so bad that you just can't use them. Other times, there are books with only largely-good theology that are so attractively done, that you may choose to edit as you read them aloud rather than not use them at all.

#2 Pictures: Do they show Jesus' face or not? Christian Focus books and Ella Lindvall do not illustrate Jesus' face, feeling that is breaking the 2nd commandment regarding graven images. Many others disagree. They don't believe it breaks the 2nd commandment to carefully use pictures to help teach young children.

#3 Creative License: Does the storybook add details that bring light to the story, but are in keeping with the original Bible text? How much license does the author take in adding extra details (especially emotional) that are not clearly inferred by the original Bible text? The Jesus Bible Storybook (Sally Lloyd-Jones) is an example of a Bible storybook that takes quite a bit of creative license, both in language and emotion enhancement. The Read-Aloud Stories (Ella Lindvall), The Children's Story Bible (Catherine Vos), The Big Picture Bible (David Helm) and The Beginner's Bible (Zonderkidz) are all examples of ones that do not.

#4 Main Point: Does the author seem to bring his own (often moralistic) main point to the story or does he stick to the main point of the original text? (A favorite example: Is the feeding of the 5000 about a little boy who shared his lunch or is it about Jesus revealing Himself as the Bread of Life, the Manna from Heaven, come to save God's people?)

#5 Child-Appropriateness: Are the stories the right length and right language for your child?

#6 Story Choice in the Collection: Does the book offer enough stories? A good cross-section of stories from every part of the Bible?

#7 Use: Are you looking for one-off stories or for something more like a Bible overview?

#8 Appropriate Applications: Does it offer any resources to help you and your family apply the Bible truths to your life?

Tips for Choosing a Bible for Your Child

#1 What's Your Goal?

Is your goal to begin to familiarize your child with a Bible version he will use the rest of their life, even if it is above his comprehension level (many times by quite a bit)? Realize that you will probably need to do more picking, choosing and explaining of passages for your child to understand what you are reading, if this is your approach.

OR

Is your goal to start your child in the process of understanding/reading with a Bible closer to his own comprehension level? If so, look for an easier translation, written on (or closer to) their level and "promote" them up gradually to Bibles with higher reading level as you go.

#2 Early Readers: They might be reading, but are they understanding?

There is a difference between what your early reader can read and what they are retaining. The technical words for this are "de-coding" (spelling out/pronouncing words) and "comprehension" (understanding and remembering what the words actually mean). Early readers are often working so hard to spell out or pronounce the words (de-coding) that there is little brain space leftover for comprehending at the same time. Check on how much they are comprehending by asking them a few questions about what they read. If they are remembering very little, chances are it's that they are so busy de-coding. You may want to choose a simpler Bible version or largely stick to reading aloud to them as their reading skills improve.

#3 Take Some Translations for a Test Drive

Try out some different translations on your children and see what works best for them, based on your goals.

Bible Translations *(and some notes about our favorite ones)*

READING LEVEL	TRANSLATION
3rd Grade	New International Reader's Version (NIRV)
Good NIRV Choices: NIRV Adventure Bible for Early Readers Kids' Quest Study Bible	
	This is a full, simplified version of the NIV 1984. It is more accessible to both preschoolers and elementary grade children.
7th Grade	New King James Version (NKJV)
7th-8th Grade	Holman Christian Standard Bible (HCSB)
Good HCSB Choice: HCSB Illustrated Study Bible for Kids	
	The "Southern Baptist" Bible is far more than its nickname implies. While it has updated scholarship, like the ESV, it often scores higher than the ESV in terms of readability for younger children especially. If only they could match the quality of notes in the ESV Study Bible!
7th-8th Grade	New International Version 1984 (NIV 1984)
Good NIV 1984 Choice: NIV Adventure Bible, 1984	
	The version has long been the highly favored translation among evangelicals. It is very readable in both word choice and sentence structure. Most suitable for 5th grade and up. It is, however, being replaced by the NIV 2011, which is headed in a distinctly different direction (read below) NOTE: Soon these will only be available through the used Bible market! Right now you can still get them through www.christainbook.com . Apparently Zondervan sold the end of their inventory to them. Buy now, if you want a new copy!
7th-8th Grade	New International Version 2011 (NIV 2011)
	The NIV 2011 has replaced the NIV 1984. It is not simply update of scholarship, but a shift towards gender neutral language. This is because of the NIV's commitment to keep up with cultural changes in language. Furthermore, this same committment means there will be other updates in this version in the future. So, to tie yourself to this Bible version is to tie yourself to futher changes- -difficult for curriculum writers and those who hope to memorize a Bible version that will remain available for years to come. For this reason, many conservative evangelicals are holding tightly to their old NIV 1984's or shifting to other translations, frequently the ESV or the HCSB.
10th Grade	English Standard Version (ESV)
Good ESV Choice: ESV Seek and Find Bible, ESV Grow Bible	
	Definitely the up-and-coming translation among reformed evangelicals, but test drive it with the ears of a child. Sometimes the language and sentence structure is not easily understandable to younger children. The Study Bible versions do have extremely useful notes and very helpful maps.
11th Grade	New American Standard Bible (NASB)
12th Grade	King James Version (KJV)

Bible Hybrids

A Bible hybrid is a Bible that is a cross between a full translation Bible and a Bible story book. It is like a full translation Bible, because every word in it is from a direct translation of the Bible text. But it is also like a Bible story book, because it only includes selected stories or passages.

#1 The Day by Day Begin-to-Read Bible

A collection of the simplest stories included in the Day by Day Bible, listed below. Lots of pictures.

#2 The Day by Day Bible

This fuller version contains many more passages from every book of the Bible. It is not primarily story-centered, but passage-centered, so it is beginning to feel much/can be used much more like a regular Bible. No pictures.

Other Special Features of The Day by Day Bible

- Chronologically ordered, so that different parts of the Bible that fit together are presented together. So, the Psalms about David are slotted in the stories of his life from 1 Chronicles. The letters of Paul are slotted in with stories from the Book of Acts, etc.
- A checklist for reading through it in 365 days. Nice bite-sized chunks.
- Good bridge for non-readers to confident readers.
- Tons of good lists in the appendix to help you decide what to read to your child, whether with this Bible translation or another version. (lists: Stories by Bible Book; Stories in Chronological Order; 100 Key Teaching Stories; 100 Bedtime Stories; and 100 Stories for Good Family Discussion.)

Should I Do Bible Memory and/or Catechism with My Children?

No one can dispute that young children have an amazing ability to learn and memorize--often the quickest and easiest in their whole lives! Why not harness this skill for the sake of learning Bible truths?

Bible memory verses and catechisms are concise ways of putting a whole library of Bible truth in children's heads. While some people balk at the idea of helping children memorize concepts deeper than they can fully understand, others see the goal not so much as achieving full, immediate understanding in a young child today, but leaving a legacy in his head for the future.

But on the other hand, don't exasperate your child! Yes, they may be little memory sponges, but you can harden their hearts and discourage them with the very truths you want them to love by forcing them to do too much, too soon and in a format that just isn't appropriate or effective for them.

Remember: your point isn't just to check off the list that you taught these truths to your children. It's to try to make them stick in places where they will stay for years. Better to do less but do it well, than to think you've done it all and done it poorly or at the cost of a soft heart.

And one more thing: there is more than one way to skin a rabbit! Bible memory and catechism doesn't always have to take a recitation format. There are many Bible verses and catechism-like questions and answers put to song. There are games you can play to help them learn, too.

If nothing else, check out the resources for Hide 'n' Seek Kids and Deep Down Detectives at www.praisefactory.org. All the Bible verses and catechism-like Big Questions are set to song; and, there are simple movement activities (called Music, Movement and Memory) you can do with them. For elementary-aged kids, all 104 Praise Factory scripture verses are also set to music. And, there is a section of games that can be used as a fun way to memorize any Scripture Verse.

What Books Can and Cannot Do

WHAT BOOKS CAN DO:

#1 Books can help you present truths in an orderly fashion.

#2 Books can be a springboard into important conversations with your children.

#3 Books can help you learn good language to use with your children (or other people's children) on their level as you have those important conversations.

#4 Books can help leave a library of truth in your children that can be used by God their whole life: a kind of time release capsules of wisdom and knowledge.

#5 Books can provide a wonderful time of sharing for you and your child. You can build memories and intimacy as you share thoughts, time, and the warmth of touch with your arm around them.

WHAT BOOKS CAN'T DO

#1 Books can't provide a one-size-fits-all formula for teaching every child. And if the book you read says it can, beware! It can't!

#2 Books can't save your child. No amount of books or information can bring salvation to your child! This is a work of God, by His Holy Spirit, in His perfect timing, according to His perfect will.

#3 Books can't replace the testimony of a godly, faithful life, only enhance it. Books are one thing, but real life is another. How you live is the blank canvas for the truths you teach. Life paints them in vibrant, unforgettable colors. And remember: while God's righteousness and love might be what we would always desire the canvas of our lives to show (and thank God for when it does!), God is just as faithful to use our failings to display Himself. When we do fail and humbly seek His (and others') forgiveness, God is kind to use these times to reflect His mercy and compassion towards sinners--namely us and like our children. Our lives are much more about the business of REDEMPTION, than they are a picture of PERFECTION, as much as we might wish it to be otherwise. And through all of it, the truths about God we tell our children are brought to light.

#4 Books can't replace your common-sense knowledge of your own child. It will take your discernment to know what the right type of book and the right pacing of learning is best for your child. What if your neighbor's child can read already and yours doesn't? Don't push your child to hurry up and read if they aren't ready. Help your child enjoy books as he is able. (FYI: reading is a developmental skill that can fully develop as late as 2nd grade! Be patient!) What if your friend's child has read and memorized the entire book of Leviticus and can recite it backwards in Hebrew...while your child can hardly sit still let alone say their ABC's? Stop comparing! Help your child learn, read and memorize as she is able! The point is making a connection with your child, where they are, not to keep up with the Jones!

Also, just because a book tells you to do something, doesn't mean you should do it...unless it's the Bible, of course! Weigh what you know about your child with what the book is asking them to do or understand. Is he ready for it, or would he be better off with a slower, simpler pace; or, a faster, more complex pace?

#5 Books can't replace the wisdom of parents with children older than yours. It is easy to read a book and latch onto a particular system or ideal, only to find that you and/or your child is frustrated. This is especially true if you are an eager first-time parent. Seek out older, seasoned parents or even teachers who you know! They are invaluable resources! Parents with older children often have wrestled with similar issues and are able to give you good advice about how to use books to teach biblical truths to children and pitfalls to avoid. It can be especially helpful to particularly seek out parents who have a similar type of child as yours. Perhaps you have a wiggly Wade or a studious Susan. Talking to parents with older children of the same type can help you learn more about how to reach and teach your particular type of child, given their strengths and weaknesses.

Yes, BUT.....3,4 (5) Family Story for Advent Series Arnold Ytreeide

Definitely more of a PG level of excitement. Use with elementary/middle school age children. They are very good at helping the children see the birth of Jesus through different eyes. (But some of the devotion reflections at the end of each chapter need to be edited or skipped.... but the stories are so good, even without the devotionals.) Ask Devers or Schmuckers if you want to know more.

NOTE: Any book listed below that has an asterisk has not been read by me, but comes from the following website: <http://bestfantasybooks.com/christian-fantasy.html>. I did read the synopsis of the books and they seemed to be good. Read at own risk. I know these are very popular so I wanted to include new titles, but they are all so long, I just didn't have time to read them myself.

Babies/Toddlers

NC Secrets of the Baby Whisperer Tracy Hogg

NC CAREFUL Secrets of the Baby Whisperer for Toddlers Tracy Hogg

This secular book has some great ideas for communicating with your child. However, as you might expect, it has no place for spanking. Use it as a helpful side resource that supplements (but does not replace) Christian books on parenting.

First Time Dad: The Stuff You Really Need to Know by John Fuller and Paul Batura

Engaging Motherhood: Heart Preparation for a Holy Calling by Holly Mackle

NC New First Three Years of Life: Completely Revised and Updated Burton L. White

This secular book is based on Dr. White's 37 years of actual observation and research of the developmental stages children 0 to 3 years go through. He gives very commonsense tips everything from best toys to buy to dealing with many common issues parents face with their child. Interestingly, Dr. White's observations about what works best with children echoes much of biblical wisdom. Use it in combination with other Christian books on parenting.

How to Help Your Anxious Teen: Discovering the Surprising Sources of Their Worries and Fears by Jessica Thompson (Says it's for helping your teenager, but the ideas presented GREAT for parents with kids of all ages. This book is targeted at helping parents identify ways that they/the culture/even the ways churches talk to kids can actually add to their anxiety and in ways you might not realize. This book is a favorite!)

Parenting Adolescents Kevin Huggins

CAREFUL Parenting Teens with Love and Logic: Teaching Children Responsibility Foster Cline and Jim Fay This pseudo-Christian book has some great ideas for using consequences to help build responsibility with your child, but is lacking in other areas. Use only as a helpful side resource that supplements (but does not replace) Christian books on parenting.

NC The Teenage Brain: A Neuroscientist's Survival Guide to Raising Adolescents and Young Adults by Frances E Jensen Super interesting information. Written by a non-Christian, but some helpful insights that may enhance your understanding and parenting of your teens well into their 20's!

By James Dobson:

- Bringing Up Boys
- Bringing Up Girls: Practical Advice and Encouragement for Those Shaping the Next Generation of Women
- The New Strong-Willed Child
- The New Dare to Discipline
- The New Strong-Willed Child Workbook

Note on Dobson: These are included as helpful resources alongside other, more recent “gospel-centered” parenting resources. Dobson has some great tips, especially on disciplining children that do not grow old.

CAREFUL You Can't Make Me (But I Can Be Persuaded) Strategies for Bringing Out the Best in Your Strong-Willed Child Cynthia Ulrich Tobias

This book is GREAT for getting ideas for all of the skirmishes you have with your strong-willed child that are not the hills you die on. If you have a very strong-willed child, it can be discouraging to both you and them at how constantly their behavior needs addressing. This book is so good at helping you understand the "trip wires" for these kids and how to phrase many statements to make it easier for them to obey you. Don't make it your only book, but make it an arrow in your quiver.
